#### **A Brief Overview**

#### What is a Graduation Project?

The Graduation Project's main focus is on career exploration and is a culmination of your work from grade 9 to grade 12. Upon entering 9<sup>th</sup> grade, each student will have an advisor assigned to them to assist with this process. This project will challenge your abilities, stretch your limitations, and teach you to think beyond your comfort zone. The Graduation Project consists of five major components: a career portfolio, a career research project, Culminating project of your choice, the paper, and the presentation. This handbook includes all of the forms you will need to complete your graduation project.

#### Pennsylvania Department of Education Guidelines:

Each school district, including a charter school, shall specify requirements for graduation in the strategic plan under 4.13 (relating to strategic plans). Requirements through the 2016-2017 school year must include completion of a culminating project. The purpose of the culminating project is to assure that students are able to apply, analyze, synthesize and evaluate information and communicate significant knowledge and understanding.

#### The Career Portfolio:

The Career Portfolio will begin during your 9<sup>th</sup> grade year. A list of the specific items needed is given further in this document The Career Portfolio will be built upon every year until graduation.

#### **The Career Research Project:**

The Career Research Project will take place during your 10<sup>th</sup> grade year. To satisfy the requirements of the Career Research Project, you must complete the following tasks:

Research a career of your choice and compose a paper that displays your findings.
 \*\*The Career Research Paper rubric will be given in your 10<sup>th</sup> Grade English course and will be a graded assignment

#### **The Culminating Project:**

The Culminating Project is an original and expressive project that ties in with your interests or your career choice. To satisfy the requirements of the Career Research Project, you must complete the following tasks:

- Choose a project that extends your learning, stretches your potential, and challenges your abilities. What that may be is up to you.
- It may either assist you in meeting your career goal OR be a project that gives back to the community.
- Be a minimum of 30 hours in length
- Your project must be approved by your Advisor, School Counselor, and the CEO before you proceed with the implementation.

#### The Paper:

The paper will be completed with guidance from the high school English teacher. To satisfy the requirements of the graduation project, you must complete the following tasks:

- Write a 3-5 page reflective essay.
- The paper must relate to the entire project.
- The paper must be included in the graduation project packet.
- The paper must receive a grade of 80% or higher to pass

#### **The Presentation:**

Finally, you will present your culminating project to a panel. This is your opportunity to present all of the work you have done for the culminating project. The panel will use the Presentation Evaluation Form. To satisfy the requirements of the graduation project, you must complete the following tasks:

- You must prepare a 10-15 minute presentation to meet the requirements on the Presentation Evaluation Form.
- You will be required to utilize a modern media visual aid to assist in the understanding of your culminating project.

<sup>\*</sup>Please allow up to 4 weeks for grading and processing of your project once all paperwork and activities are complete in this packet.\*

#### **Graduation Project Agreement**

#### I. Student Applicant:

#### I agree

- to adhere to the schedule and timeline set forth in the Graduation Project Handbook.
- to document my progress with the forms provided.
- to follow all the guidelines (which I have read and understand) established for my Graduation Project.

#### I understand

- that successful completion and an acceptable presentation of the Project are required for graduation.
- that the school may not be liable for any injuries that I may sustain as a result of this Project.

#### **Faculty Advisor Approval Form**

The Graduation Project is a vital part of every student's education at HOPE for Hyndman Charter School. Every student needs a faculty advisor to help oversee his or her Graduation project completion. As a faculty advisor you will be expected to:

- Lead and guide the student
- Assist with and help ensure the deadlines are met
- Ensure the paperwork is completed and turned in properly
- Consult regularly with the student to discuss the project

### Career Portfolio Checklist

The Career Portfolio is a cumulative collection of your best work at HOPE for Hyndman Charter School. It may contain pictures, examples of writings, tests, research papers, certificates, community awards, athletic awards, acceptance letters, etc. The Portfolio must contain the following for completion of your senior project:

	Title Page
	Table of Contents
	Awards/Certificates Section and a list of extracurricular activities
	Cover Letter and Resume
	Job Application
	Interest Inventory Results (1)
	Community Service Forms (40 hours)
	Mock Interview Report
	Practice interview with an adult about his/her career
	Career Research Paper (1) (completed in 10 <sup>th</sup> grade English course)
	Current Copy of Transcript
	**College Search
	SAT Test Results, PSAT Test Results, and/or ASVAB results
П	Letters of Recommendation $(2 = 1 \text{ educational and } 1 \text{ character})$

#### **Career Research Project**

You will be researching a career of your choice with the help of your Personal Development Mentor. This project will be introduced and completed during your  $10^{th}$  grade Career Exploration course. You will explore and investigate the job responsibilities, skills, education, working conditions, salary, and job outlook about your chosen career.

To satisfy the requirements of the Career Research Project, you must complete the following tasks:

☐ Research a career of your choice and compose a paper that displays your findings.

\*\*The Career Research paper rubric will be given in your 10<sup>th</sup> grade English Class. \*\*
